

## Cancellation & Refund Policies

We highly value your appointment, and reserve it exclusively for you. We recognize that changes in schedule can sometimes be unavoidable. Hence, we kindly ask for a minimum of 48 hours advance notice if you need to cancel your appointment. Please note that a deposit of 50% is required to secure the appointment at the time of booking, and in the event of cancellation within 48 hours or less, the deposit will be forfeited.

If an appointment is cancelled, rescheduled, or a “no-show” occurs without providing a 24-hour notice, a fee equal to 50% of the treatment fee will be charged and deposit will be forfeited.

We do not offer any refunds or returns under any circumstances whatsoever.

No refunds will be provided for services that have already been rendered or if a product, such as botox, filler, or Sculptra has been received. Opened products are not eligible for refunds.

For packages, no refunds will be given once the first treatment has commenced or after 30 days of package purchase. Instead, a credit will be issued that can be used within one year. This credit is non-transferable as it may not be suitable for another individual. Transferability will be considered on a case-by-case basis.

Special offers require payment prior to the date of service in order to secure the appointment and take advantage of the offer.

Late arrivals may result in shortened appointment time to ensure punctuality for subsequent appointments.

If you choose to use Care Credit Financing, a minimum purchase of \$600 is required to receive six months interest free and a minimum of \$1000 to receive one year interest free. There is a \$30 processing fee on all returned checks.

Series or packages of treatments that are discounted must be paid in full at the time of purchase in order to receive the discounted pricing.

#### Revisional or Additional Treatment or Treatment of Complications

Aesthetic practice is not an exact science. Although we anticipate good results based on the best medical data and previous patient outcomes, we cannot guarantee or warrant the outcome of any treatment or service. In some cases, additional or follow-up treatments of the same or different types may be necessary to achieve the desired effect. These could result in additional charges, for which you may be responsible.

I have read and agree to the terms listed above and understand that I may be charged for not abiding by these policies.
